Designed with YOU in mind,
these workshops will provide officer training
to all local PTA Officers. They have been created to help
you establish grass-roots advocacy in your school and preparing
you to be a key leader in your education community. Guaranteed casual,
and fun, while from the comfort of your home. Workshops will be led by
'aged & seasoned' facilitators that have walked in
your shoes! Whether you're a first-time officer or a PTA
veteran, you will learn the essentials of
your role!
